STATEMENT

To whom it may concern:

We Jiangsu Kanghua Medical Equipment Co. Ltd declares that the three-piece transparent syringes for infusion pumps with catalog numbers KM050LL, KM050LL-2 and amber syringes for photosensitive drugs with catalog numbers KM050LLB, KM050LLB-2 manufactured by our company meet the requirements of Standards:

PN-EN ISO 7886-1:2000 - Sterile injection syringes for single use. Syringes for general use.

PN-EN ISO 7886-2:2002 - Sterile syringes for single use - Part 2: Syringes for use with infusion pumps.

Three-piece syringes of our production are compatible with infusion pumps from all manufacturers of these devices, including Ascor, Medima, Kwapisz, BBraun to the extent specified in the aforementioned standards.

Sincerely yours

Jiangsu Kanghua Medical Equipment Co., Ltd
