

LEGENDA

	ŚCIANY WYBURZANE
	ROZBIÓRKA ŚCIAN POD OTWORY DRZWIOWE
	OBSZAR REPROFILACJI SŁUPÓW

This architectural drawing illustrates the facade of a long, multi-story building. The facade is characterized by a series of vertical columns and horizontal bands of windows. The windows are labeled with various codes, including 'UWGA 1' through 'UWGA 19' and 'UWGA 20'. The building is shown in a perspective view, with a yellow building visible in the background. The drawing includes labels for various architectural elements, such as 'UWGA 1' through 'UWGA 19' and 'UWGA 20'. The building is shown in a perspective view, with a yellow building visible in the background.
