

Technical drawing of a vertical pump assembly, showing three views: front, top, and side. The drawing includes dimensions in millimeters.

Front View: Shows the pump assembly mounted on a base. The base width is labeled **L**. The base height is 200. The pump head is centered on the base. The distance from the base edge to the pump head center is 150.

Top View: Shows the pump head from above. The pump head diameter is labeled **B**. The base width is labeled **B**. The base height is 200. The distance from the base edge to the pump head center is 150.

Side View: Shows the pump head from the side. The pump head diameter is labeled **B**. The base width is labeled **L**. The base height is 200. The distance from the base edge to the pump head center is 150.
