LEGENDA

The diagram illustrates the construction of a roof structure, showing various elements and their assembly. The elements are labeled in Polish:

- SCIANY STUPEK** (Stair walls) - Represented by a solid black rectangle.
- SCIANY PROJEKTYWNE** (Projecting walls) - Represented by a rectangle with a red dotted pattern.
- ELEMENTY DO WPROSZNIENIA ORAZ ELEMENTY WPROSZNIENIA DO USTĄDZIA** (Elements for embedding and embedding elements into the ceiling) - Represented by a rectangle with a light blue background and a thin blue border.
- WYKAZANIE Z TĘCZÓW SZCZEGÓŁOWYCH** (Showing the details of the roof structure) - Represented by a rectangle with a light blue background and a thin blue border.
- POSIADAJĄCA PRZESZNĄ 30x30 cm** (Having a 30x30 cm opening) - Represented by a rectangle with a light blue background and a thin blue border.
- TYNKOŁOŻOWE WYKAZANIE DO WYS. 1,5M** (Plastering showing to a height of 1.5m) - Represented by a rectangle with a light blue background and a thin blue border.
- ELEMENTY PROJEKTYWNE** (Projecting elements) - Represented by a rectangle with a light blue background and a thin blue border.
- PROJEKTOWY POKRYWKA CUKLA** (Projecting cover) - Represented by a rectangle with a light blue background and a thin blue border.

At the bottom left, there is a small diagram showing the assembly of the roof structure, with a red 'X' indicating a specific detail.
